

# CASA In-Pew Solicitation Guide 2024

We know from experience that parishes that conduct in-pew solicitations are more successful reaching their CASA goal. For this reason, Bishop Anthony B. Taylor is asking all parishes to have an in-pew solicitation on Commitment Sunday for CASA.

The following instructions are provided to help your parish(es) with their in-pew solicitation.

- 1.) Play Bishop Taylor's recorded message.
- 2.) Immediately following, arrange for everyone to receive a CASA gift/pledge envelope. These can be placed in the pew in advance or distributed by the ushers.
- 3.) Pastor or lay person delivers the following instructions: (English followed by Spanish)

"The funding that you so generously provide during the CASA appeal is critical to the work and life of the Diocese of Little Rock and each of its parishes, including ours. Our goal is \$\_\_\_\_\_."

"I ask that you make a commitment today as I will be doing as well. Write the amount of your pledge/gift on the inside top right flap. Next choose your method of payment. You can pay your pledge by check or credit card; all major credit cards are accepted. If you want to make a payment towards your pledged amount today, you can, but you do not have to give something today ..."

## **"Just Fill in the Envelope."**

"Checks should be made payable to 'Catholic Arkansas Sharing Appeal.' The diocese will send you reminders monthly until your pledge is fulfilled. Be sure and complete the top flap of the envelope by printing your name, address, phone number, parish, etc."

"I'll give you a few minutes to complete the pledge envelope now and the ushers will come around to collect them. Your generosity makes a difference and touches the lives of many. Thank you."

"Los fondos que ofrecen generosamente durante la campaña de CASA es muy importante para el trabajo y la vida de la Diócesis de Little Rock y para cada una de sus parroquias, incluyendo la nuestra. Nuestra meta es de \$\_\_\_\_\_."

"Les pido que hagan un compromiso hoy de la misma manera que yo lo haré. Escriban la cantidad de su promesa/ofrenda en la parte superior del sobre. Luego elijan su método de pago. Pueden pagar su promesa con un cheque o tarjeta de crédito; se aceptan todas las tarjetas de crédito reconocidas. Si desean pagar la cantidad de su promesa hoy, pueden hacerlo, pero no es necesario que den algo hoy ..."

**"Solamente Completen el Sobre."**

"Deben escribir los cheques a nombre de 'Campaña Católica de Arkansas a Compartir.' La diócesis les enviará recordatorios mensualmente hasta que hayan cumplido su promesa. Asegúrense de completar la parte superior del sobre con su nombre, domicilio, número de teléfono, parroquia, etc."

"Les daré unos cuantos minutos para completar su sobre de promesa ahora y los ujieres pasarán para recogerlos. Su generosidad hace la diferencia y toca las vidas de muchos. Gracias."
