ARKANSAS CATHOLIC SCHOOLS SCHOLARSHIP APPEAL

November 16, 2024

Dear Friends,

I am writing today to ask for your help. Our Arkansas Catholic schools provide a nurturing, Christ-centered education for our students. As you may know, the cost of tuition can be a significant barrier for many families who desire the quality Catholic education for their children that our schools offer.

If you have helped us in the past, we are so grateful! Last year the Arkansas Catholic Schools Scholarship Appeal provided tuition assistance to 34 students. Every contribution, no matter the size, has a meaningful impact and helps us move closer to our goal of \$230,000 which represents the current amount needed to help families this school year.

You may be familiar with the LEARNS Act which provides funding for tuition and some fees through an Education Freedom Account for students who meet the criteria. Although the categories have expanded this year, many students who need financial assistance still do not qualify. The cost of paying full tuition remains an obstacle for many families.

The mission of Arkansas Catholic schools is to provide a transformative education rooted in faith and service to others. As we continue our work, we are inspired by Proverbs 22:6 which says, "Train up a child in the way they should go; and when they are old, they will not depart from it."

Our students are our future leaders, and your support can make a significant impact on their lives and the future of our world. I humbly ask you to donate today to the Arkansas Catholic Schools Scholarship Appeal. Your generosity will help ensure that more students have access to an education based on the beliefs and values of the Catholic Church.

Sincerely In Christ,

Theresa Hall
