

FAITH BUILDERS

We are all called to nurture the faith in the Diocese of Little Rock. As a Catholic community, we are led to mission churches that we can give a one-time boost to help complete a much-needed project.

ONE CHURCH
UNITE ARKANSAS
IN FAITH AND MISSION

All of us joining together as One Church can have a lasting impact on a small Catholic congregation. We have the opportunity to help St. Andrew Church in Danville realize their dream of renovating their parish center.

Please pray for this project and give today.

ONE CHURCH

Slammed by pandemic shutdowns, St. Andrew's congregation works hard and gives deeply but cannot afford to rework their parish center for events and religious education.
