

MOVING SPIRIT

The Holy Spirit is moving in the Diocese of Little Rock. As a Catholic community, we are called to help mission and rural churches where we can give a one-time financial boost to complete a much-needed project.

All of us joining together as One Church can have a lasting impact on a small congregation.

From September 2024 to August 2025, let's help **Sts. Peter and Paul Church in Lincoln** move from a converted storefront to their own larger church building.

Please pray for this project and give today. To give or for more information: dolr.org/one-church
