

ROOM TO GROW

ONE CHURCH

Great things are happening in our Catholic schools. Through One Church, Catholics across Arkansas come together each year to support a specific project that can make a lasting difference in a smaller or rural Catholic community.

From September 2026 through August 2027, One Church will support Holy Rosary School in Stutt-

gart, helping the school expand so it can welcome more students in Arkansas County. Together, we can strengthen Catholic education and help Holy Rosary School prepare for the future.

Please pray for this project and consider giving today. To donate or learn more, visit dolr.org/one-church. #OneChurchArkansas
